If the field is late in being set up, the home team warm up time is penalized accordingly. The visiting team should always be given 15 minutes to warm up.

## C. GAME STRUCTURE

1. Game length = 12U - 6 Innings; 14U - 7 Innings
2. Complete Game: 12U - 4 innings constitutes a complete game (3 ½ innings if the home team is ahead). A game called after 4 complete innings, or 3 ½ innings if the home team is ahead, will not be replayed or continued. Regular season games that are tied will remain ties and will not be replayed or continued. 14U - 5 innings constitutes a complete game (4 ½ innings if the home team is ahead). A game called after 5 complete innings, or 4 ½ innings if the home team is ahead, will not be replayed or continued. Regular season games that are tied will remain ties and will not be replayed or continued.
3. Games stopped prior to completion (see above) will be replayed from the beginning. Umpire's judgment shall be used to suspend the game.
4. A slaughter rule is in effect. If after 4 innings (5 innings at 14U) or 3 ½ innings (4 ½ innings at 14U) if the home team is ahead, one team has a lead of 15 runs or more, the manager of the team with the least runs must concede the victory to the opposing team. If a team takes a lead of larger than 15 runs in the top of an inning after the 4<sup>th</sup> inning (5<sup>th</sup> inning at 14U) then the home team will get to bat in the bottom of the inning.
5. Unless otherwise noted, all games begin at 6:00 P.M.
6. Games on weekends and under the lights are *TBA*
7. Forfeit time is 15 minutes after the scheduled start time. All forfeited games will be scored 7-0.
8. No full inning can be started later than 7:45 P.M. You can finish an inning, but you cannot start a new inning (8:00 P.M. starting May 14th).
9. If a game has a 2 hour time limit then no new inning may be started after 1 hour and 45 minutes.
10. Games under the lights, or weekend day games that do not have a game following, do not have a time limit and will be played until completed.
11. A starting lineup should consist of 9 players but teams may play with 8 players without penalty.

12. If a team has less than 8 players to start or at any time during the game, they will forfeit the game.

13. A continuous batting order will be used and all girls must play a minimum of 3 defensive innings.
14. There will be no penalty for line-up scratches due to illness, injury or other absence.
15. Players arriving late may be added to end of the batting order. Players arriving after the completion of the second inning may not play.
16. Calls ups from lower levels are allowed for regular season games and playoff games, but the call up player may not pitch, must bat at the end of the order, and can not play more defensive innings than a player on the roster. Call up players must wear their own team's uniform.
17. Girls may play up but may not play down a level unless granted permission by the league commissioners. Girls allowed by the league to play down cannot pitch or catch
18. Girls that are 14 years old or younger prior to January 1st and do not play on a high school softball team are eligible to play at the 14U Level.
19. In order to deter anyone from 'loading a team', you must run your draft to split up the talent of your players as equally as possible. If loading a team occurs, the commissioners can vote to censure a team(s) from post season play. On issues of review, the commissioner of the team in question will not be notified until a decision has been rendered by the league.
20. Players must participate in 50% of their regular season games (total games played, not scheduled game) to be eligible to play during the playoffs. An injury exception is allowed but the manager must inform their league commissioner / coordinator of the injury.
21. Call ups are allowed for the playoffs, but only in order for a team to have nine players in its lineup. If one or more girls are called up for a playoff game, but a rostered player or players unexpectedly show up, the call up(s) will not be allowed to play if their inclusion would make a team's lineup more than nine girls (*unlike a regular season game, when call ups would be allowed to play and the team could have more than nine girls its lineup*).

## D. GAME RULES

1. Only umpires may call a time out during a game. Only managers, field coaches, and players in the game may request a time out.
2. Only managers may discuss rules or decisions with the umpires (no coaches). Judgement calls by umpires are not subject to protest. However, if an umpire misinterprets a rule, a team has the option of protesting the game. Each scorebook should be marked at the point of the protest, in the event the game must be replayed from that point. If the protesting team wins the game, the protest will be deemed moot.
3. Umpire conference will always be with both managers.

4. No lead offs are allowed. Runners must wait for the ball to leave the pitcher's hand before leaving their base. If a runner leaves early, she will be called out. If runner leaves early and the ball is hit, then the runner who left early will be called out and the batter will be allowed the number of bases they have advanced.

5. Stealing after a walk is allowed. Once the player rounds first, she must continue to the next base until a play is made on her. If she doesn't continue, the umpire will call her out.
6. Stealing home is allowed.
7. The batter may advance to 1<sup>st</sup> base on a dropped third strike when first base is unoccupied or when there are 2 outs. In the case when a dropped third strike goes into foul territory on the first base side and there's a play at first base, it is permissible for the 1<sup>st</sup> baseman to use the orange safety base while receiving the throw to record the out.
8. Base runners will be awarded one base on an overthrow into unplayable territory.
9. A courtesy runner is mandatory for the catcher if she is on base and there are 2 outs. The courtesy runner must be the last player to be called out in the inning.
10. Intentional walks are not allowed.
11. Bunting is allowed.
12. Fake bunting and swinging is illegal. A batter will be called out if she fakes a bunt and then swings away. A player may fake a bunt and pull the bat back.
13. A batter that is struck by a pitch while in the batter's box will be awarded first base without exception. This includes pitches that hit the ground or rolling on the ground.
14. If a base runner does not slide, she must avoid contact with a defensive player or be called out. Incidental contact is at the discretion of the umpire. No runner will intentionally run over the defensive player. The penalty for intentional running over a runner will be ejection.
15. The infield fly rule applies whenever there are runners on first and second (or all three bases) with less than two outs and the batter hits a fly ball (not a line drive or bunt) into fair territory which can be caught by an infielder with ordinary effort. The umpire must invoke the rule - if no umpire calls "infield fly," the rule is not invoked. It is a judgment call.
16. A six run maximum per half inning rule will apply except for the last inning.
17. The last inning will be unlimited runs. This includes innings that are called the last inning due to light or time limits.

18. The last inning may be called prior to the sixth inning and must be called prior to the start of the inning. The umpire may call an inning the last inning if he/she believes that another inning will not be started due to time constraints.

10. Each team will be given one warning for an illegal pitch. After a warning has been issued, an illegal pitch will be ruled a ball unless the batter swings at the pitch. No base advancement will be allowed on an illegal pitch that is not hit.
11. If a manager goes to the mound twice in one inning or a third time during the pitcher's stay on the mound, the pitcher must be removed.

## F. PARTICIPANT and FAN CONDUCT

1. The manager is responsible for the conduct of his or her team and fans. Managers should assist umpires in keeping parents and fans from behind the backstop. No taunting of opposing team players will be allowed. Cheering by players, even though directed at their teammates, should not be timed in such a manner to disrupt the pitcher during her delivery.
2. The umpire may eject a player, coach, manager, or spectator from the game. The person or persons ejected has 5 minutes to leave the field or park. Ejection from the game is interpreted by the league

Unless the ejected individual requests a hearing, the league officers will elect to conduct or not conduct a hearing and vote on the question of suspension. Suspension shall be served as specifically directed by the league officers.

3. Managers are reminded that they may be permanently removed for just cause after a fair hearing and with a majority vote of the league officers. #####
